

WEDDINGS AT STANWICK LAKES

Your day, your way

Weddings at Stanwick Lakes

Stanwick Lakes is a beautiful and unique wedding venue in the heart of Northamptonshire's Nene Valley, able to cater for celebrations throughout the year.

We have three locations to choose from, perfect for sunny all-day celebrations or magical twilight parties. Each one provides

the stunning backdrop for your photographic memories.

Our Wedding Planner will work closely with you to plan the decoration and theming of your special day, working with local styling specialists, caterers, florists and photographers to create the wedding of your dreams.

Locations

Our three locations each guarantee a unique wedding that will leave a lasting impression.

The Solar Suite

For a twilight party like no other, our award-winning Solar Suite, surrounded by the natural beauty of the Solstice Lake provides the ideal venue for your special day, perfect for lavish celebrations of up to 150 people.

The Solstice Suite

Located within the Solar Suite, the Solstice Suite is perfect for more intimate parties, with its own exclusive lakeside decking, providing plenty of space for your celebration.

If you wish for a larger wedding reception, we can provide a Lakeside Marquee, linked to the Solstice Suite, fully dressed out with ivory drapes, flooring and chandeliers.

The Outdoor Theatre

Our Outdoor Theatre, with the Solstice Lake as the backdrop, is a truly beautiful setting for an alfresco wedding. Marquees or tipis can be supplied through companies we work with to provide ample space for your guests, caterers and guest facilities.

A Day to Remember

If you are looking for a venue that provides picturesque views, package options or bespoke weddings, arrange a meeting with our wedding planner by emailing weddings@stanwicklakes.org.uk or by calling **01933 625522**.
